Allowable Subject Matter

1. Claims 1-16 are allowed.

The following is an examiner's statement of reasons for allowance:

The allowability of the independent claims 1, 7 and 12 resides, at least in part, in that closest prior art of record Bigelow (U. S. Patent 6,647,305) does not disclose or suggest, alone or in combination, at least one tool object, the at least one tool object configured to be referenced in product information, the at least one tool object configured to be changed without causing the product information to be changed, and the at least one tool object configured to represent all of a plurality of versions of a tool or a part of a tool and at least one of the generated one or more installation instructions identifies which version of a tool or a part of the tool to be used in a manufacturing environment, in combination with the other elements and features of the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
